Here's a quick and practical guide to applying the disciplines of proven planning practices without the rigor of complex processes. Part of the Project Manager's Spotlight series from Harbor Light Press, this straightforward book offers solutions to real-life planning scenarios. Author Catherine Tomczyk highlights critical components of project planning and equips you with tools, techniques, checklists, and templates you can put to use immediately. By following a realistic case study from start to finish, you'll see how a project manager deals with each task. Ultimately, this book will help you accurately estimate time and resource requirements, enabling you to implement successful projects. Project Manager's Spotlight on Planning teaches you how to * Define project objectives, goals, scope, and requirements * Draft plans to manage risk, quality, and...
