Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

The exact location of this noted old village of Bourgmont s time, heretofore, has never been definitely determined, although the ruins of the old town on the Missouri were observed and mentioned by explorers and travelers for many years subsequent to the early French explorations. Professor Dunbar apparently, authentically, has designated Atchison, Kansas as the site of the old village, while Kansas historians generally evade the question by vaguely referring to the old Kaw village at or near the present site of Atchison, which is based merely on an approximation of the distance above the Kansas and Little Platte rivers, without taking into consideration the topographical and other features so essential in determining such matters. After carefully studying all available data bearing on the subject, including the chronicles of most of the early explorers who mention the old village, and thoroughly examining the whole region along the Missouri river north of the Kansas, I have concluded that the historic old town of Doniphan, five miles north of the city of Atchison, was the prehistoric capital of the Kaws. The historical, topographical and archaeological evidence adequately sustains such an opinion. Before going into details I will succinctly give a...
