It s like my skull s splitting open from the inside. They re talking to me. Laughing at me. Telling me what to do. I ll have their tongues. That ll shut them up. Danny is terrified of being like his father. His dad ended up in prison after a night of savage violence. But then he finds his father s diary and uncovers his dark thoughts - and even darker secrets. Who was whispering to his father, goading him, leading him on? And what if they are coming back for Danny? (Originally published by Puffin as Incubus, this edition reverts to the author s preferred title.) Not for the faint-hearted, this is a horror story in true Stephen King fashion . The tension is neatly interwoven with the detail of ordinary teenage life but there are plenty of spine-tingling moments that ensure you ll think twice before turning the light out at bedtime! PTA Spring ACHUKA Choice: A really well-written chiller-thriller. Achukareviews This book is highly recommended...
