Brand New Book ***** Print on Demand *****.The Instant-Series Presents Instant Study Skills How to Study Instantly! It s late at night. You re staring at the vast amount of texts that you re trying to wrap your head around for 10 different chapters you have to get through for 2 of your exams, also on top of a term-paper to write. The clock is ticking. With less than 8 hours left for sleep being used for studying that should have been commenced weeks prior.you re now burning the midnight oil, as you take another sip of coffee, feeling the pressure and stress by the monstrous workload. Being tired, overwhelmed, and scarce for time now.you feel like throwing in the towel. Should you? Of course not! If you give up now.what does that say about life for you when other goings get tough? Certainly, that s not how you want to go through life. What should you do? How about changing up how you study ? Start studying smarter.not harder, and especially not longer. Doesn t matter if it s for school, for work, or for whatever reasons.we all need to study to get by. The sad part is most people are doing it ineffectively, taking up more time than necessary so that s why they get behind or overwhelmed. That s where effective study skills come in. Within Instant Study Skills How to study using micro-mental repetitions and this interlinking technique to make the materials manageable and memorable. How to speed-run through your studies when you re at a crutch for time so you only take in the necessary crucial stuffs and not killing time on the unimportance. How to associate imageries to information...
