STEEL, MAGICK AND FAITH BOOK 1 OF THE REMUS ROTHWYN CHRONICLES

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 196 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. The Remus Rothwyn Chronicles is a dark fantasy series with magick and fantastical elements, but with a focus on realism and morally grey characters and factions. The world has its own unique mix of tech steampunk and dark mythological elements, all blended into an epic fantasy tale with classically inspired battle scenes. Book 1: Steel, Magick and Faith In the ancient and wild world of Glenryth, Fey creatures and a nascent humanity have come into conflict, the motives of each other mutually unfathomable and alien. Technological cults and Monotheistic religions are worshipped, any suspicion of pagan or Fey magickal taint is reviled. Prophets spread far and wide, offering hope and comfort to the beleaguered masses. Mankind is not totally separate from the energies that suffuse Glenryth, as an unfortunate few are born as Touched. When local dwarves put a curse upon the town of High Peaks, Remus, the aloof and irritable woodcutter and sage, must try and ebb the tide of xenophobic anger that could engulf himself and any other folk that are labelled as outcasts. But when a caravan of technocrat pilgrims fails to arrive, and the body of a local child is found in the woodlands, Remus, along with the capricious Touched Elaina, must try to understand the nature of morality in a world cloaked in suspicion and fear, and, ultimately, to prevent a brewing war that could send the region spiraling into chaos and destruction. This is an updated edition with a new cover. Book 2, The Shard of Palrinah, is now available! Extracts: Then somewhere in the fickle mists of creation came humanity, clawing and afraid, grasping and ambitious. Enveloped in a dangerous world, these creatures...
