ACCIDENTAL CONSEQUENCES: A JOHN RUSSELL THRILLER (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A leaking loose nuke is coming to an American city near you! A truck pulling a load of rebars drives past Los Alamos and sets off every radiation alarm on the site. An irradiated cargo ship and its cargo must be buried at sea. An Imam reports that someone stole a bomb, sent by an Iranian general to a possible terrorist cell in his mosque. The ever alert Imam was planning to turn the bomb over to the FBI on its arrival in Los Angeles but it was stolen before he could get his hands on it. In a secret organization, Truckers for a Safe America, vets are organizing. But, are they organizing to save America, take back America or pay back the administration that sent them to war in unarmored Humvees and housed them beside irradiated tanks destroying their health and lives forever? Is the bulls eye drawn over Washington DC on a giant map in a militia leader s home a warning or disinformation? Are the men who were sent home poisoned, blown apart and desperately sick, seeking revenge? Does anyone know where the bomb is headed? The FBI Special Agent Rinda Bolton must follow a trail of radiation, sick and dying vets to find the bomb and save millions of innocent Americans from being blown apart in a destination city of one man s choosing.
